# First Grade Dolch Sight Word Game

## Materials

- Game Board with sight words
- One die

## Directions for One Player

- Roll your die.
- Match the number on your die to the matching die at the top of a column of words on the Game Board.
- As quickly as you can, read aloud all the words in that column.

## Directions for More Than One Player

- Take turns rolling the dice.
- On his or her turn, the player matches the number of the die to the matching die at the top of a column of word on the Game Board. Then read aloud all the words in that column.
